

Greg Stiever

Director/Producer

Greg's accomplishments as a director include over four hundred corporate pieces and training films, television commercials, several feature length documentary films, television series, music videos and short films.

He has directed and produced award winning feature length documentaries, **Poles Apart** and **America Takes Flight**, both appearing on **PBS**, and recently directed the new series **Make Television** for PBS. He has directed the series **Hometime** for PBS, **The Seasoned Gardner** for Home and Garden Television, and has gained extensive location experience shooting **Secrets of the Rainmaker** for **National Geographic** in Africa. He has produced and directed a business film, **The New Business of Paradigms** for futurist Joel Barker, a centennial video for the **3M Company**, and was director of photography for the **Emmy Award** winning **Grandfather's Birthday**, and camera operator for the **Mighty Ducks** and several music videos for Prince.

Stiever's expertise remains current and innovative as he frequently serves on judging and seminar panels locally and nationally, attends seminars, and studies directing and photography - most recently studying with **Richard Fleischer** and at the **Sundance Institute** with Joan Darling.

Honored with over **sixty awards** for his work, Greg Stiever is proud of receiving local, national, and international awards including **Minnesota's Oscar** for Best Feature Film in 2000, The **Short Film Showcase** from National Endowment of the Arts, a Bronze Medal from the **Cannes Film Festival**, **Best Cinematography** at the Santa Clarita Film Festival, A Regional **Emmy**, Monitor Award for **Best Achievement in Directing**, and several **CINE Gold Eagle Awards**.

Stiever's feature length documentary film, **Poles Apart** is currently airing on **PBS** and was picked up by **The National Geographic Channel** in Europe, Asia and Africa. A few of the awards for Poles Apart include: **Best Documentary** at the Lake Placid Film Forum, **Best Documentary** at the Breckenridge Festival of Film, a **Silver** at the Philadelphia Film Festival and the **Best of Fest** at the Minneapolis/St. Paul International film festival.

Greg is co-owner of [On Impact Productions](#), a content company which specializes in authoring books, producing videos, presentations and consulting that is dedicated to engaging people, teams and organizations to successfully maneuver the *wild* roads of change.
